### **EXAMINER'S STATEMENT FOR REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Applicant has cancelled all previously rejected claims (1-5 and 7-11) without prejudice. Claim 21 is allowed as indicated in prior office actions. Halgren et al. fails to explicitly disclose or reasonably suggest a method for providing spare parts in a central office equipped with a plurality of laser transmitters of different frequencies with a spare laser transmitter of a single frequency. Halgen et al. discloses a rack structure but does not disclose a maintenance input/output port that accepts an optical signal of a first frequency from a separate, spare laser transmitter different than those of the input/output ports. Examiner has interpreted the claim language as "functional language" since there is extensive usage of the term "capable of". (MPEP 2114). Therefore, claim 21 is allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Wong whose telephone number is 571-272-2363. The examiner can normally be reached on Monday through Friday, 830AM - 430PM.
